

Our kits and backpacks are designed to provide hands-on interaction and creative learning with STEM concepts.

One Kit per cardholder at least 18 years old, with valid photo id, and library card in good standing.

Kits circulate for 2 weeks. Kits will include a borrowing agreement and require a deposit as needed. All kits must be returned to the children's circulation desk.

These kits were made possible by a grant from the IEEE-Region 4, partnership with NASA@My Library, and The Friends of the Estherville Public Library
