

Toddler Takeout!

Name: _____ Phone: _____

Write the month in the blank of the theme you would like to receive. Make a first and second choice for each month. For instance if your first choice for September is dinosaurs you would write Sept. #1 in the blank in front of Dinosaur Daze. If your second choice is cats you would write Sept. #2 in the blank in front of Cats & Kittens. We will try our best to give you your first choice but because certain themes are popular for certain months, that is not always possible. Return this form to the library. If you have questions, please call the Aplington Public Library at 319-347-2432. Thank you!
