# LIBRARY REPORT – 6/18/2025

Summer Reading is going well so far, and we have had lots of sign-ups from both youth and adults. Movie in the Park was canceled, but I will look for a new date to reschedule.

The library will be closed next week on June 19 & 20 for Juneteenth.

Shannon will be introducing Toddler Playtime in July after the fair leaves town. Open play will be from 10am to 11am every Thursday for kids 3 years old and under. Shannon will be making sensory bins and board book displays.

I let Nick know that we will not be going forward with security cameras until we figure out the roof/ceiling situation. I am not comfortable making any decisions or calling anyone in for that, so I will wait for Allie P. to get back from maternity leave.

# **Agenda Item – Security Cameras**

## **History:**

The library has been trying to get security cameras for the exterior of the building. Nick Heath provided quotes from two different companies. Updated security camera quotes were presented at last month's meeting. Money for the cameras would come from the remaining LOST \$100k funds from the City we used for the V&K renovation project.

Because of the water damage to the ceiling on the East end of the upper-level, a decision was made to table security cameras until the June meeting. The remainder of the LOST funds may need to go towards fixing the ceiling. I am waiting for Allie to fully return to decide how she would like to proceed.

## **Budget Impact:**

Money would come from LOST funds.

## **Options:**

- A) Table this decision until Director Paarsmith is back from maternity leave.
- B) Give suggestions for another course of action.

## **Staff Recommended Action:**

Option A
