Grant Updates:

- Williamson
 - Paint Project
 - Phase I of our paint project included nearly the entire lower level of the facility. Burrell Painting worked with us on some wall repair and preparation issues, and completed two coats of paint in the lower hall, both restrooms, community room, and children's room. Light fixtures were also painted in the children's room. (Back hallways and stairwells can be completed at a later time.)
 - Imagination Library
 - We've done all we can to process paperwork and prepare for this project to start. Since December we have been waiting on approval from the postal service (Des Moines office). I've recently spoken with our Imagination Library representative and we've decided to apply through the Tennessee postal office which is local to the Dollywood Foundation. She expects they may be more responsive.
- Trinity Lutheran Application
 - At the suggestion of Deb Seylar we have applied for the Elaine Berghefer Endowment fund grant for a family kit project which, if funded, would take place in the month of July. Depending on how much is approved, we may need to request support from the friends for shipping or other related expenses. We applied for \$1,528 for 4 kits which would be distributed to 50 families, each.
- Anonymous
 - In March, an anonymous donor approached me about our Community Room Renovation Project, which is currently on hold. The donor decided to give \$37,000 towards this project, but wishes to remain anonymous. We can discuss next steps now that we have this funding in place.
