

As part of our participation in Thomas Mitchell Days, we at the Mitchellville Public Library would like to show our appreciation to those who have so generously worked to help the community during the troubled times of the COVID-19 pandemic.

As such, we would love for you all to nominate a citizen to be our Pandemic Citizen of the Year.

Doing so is simple, just choose someone you believe has gone above and beyond to serve those around them during this time, and let us how they have helped in the form of a letter, either delivered to or dropped off at our building, or through our email at [mpstaff@mitchellville.lib.ia.us](mailto:mpstaff@mitchellville.lib.ia.us).

Then, once the votes are in, we shall present our Citizen of the Year with a gift to show our appreciation for everything they have done for us.

Finally, regardless of who wins, we would like to express our sincerest thanks to everyone who has made an effort to assist others during this time. It is due to everyone's combined efforts that communities grow and remain strong, able to withstand any trouble that may come their way.
