

Thomas Mitchell Days 2021

Basket Auction - Saturday, September 18th

As a part of the Thomas Mitchell Days auction, the committee is hoping to once again have a Basket Auction. We are challenging all the local businesses, organizations, churches, individuals and groups to donate a filled basket to be auctioned.

You can have fun with this, choosing a unique theme for your basket. As you can see from the pictures below, there are hundreds of theme ideas to choose from.

Encourage your members, customers, friends and family to donate one item for the basket and it will be filled before you know it.

Please contact Amerist Chambers at amerist.chambers@me.com or Mollie McCoun at odie615@aol.com to pick up your basket :) We will be displaying the baskets on our Facebook page!! We appreciate your support!!!
