<i>Product Descriptions</i>	Small Engine Repair Reference Center		
	This reference database provides detailed yet user-friendly repair guides for all manner of small engines. All of the content is organized in a powerful, easy-to-use manner so that users can quickly find the information they need.		
	Primary Search: Main Edition		
	Designed for elementary school libraries, <i>Primary Search: Main Edition</i> is a full-text database of popular children's magazines. Students can learn about a variety of subjects, including science, health and geography. It also includes a vast image collection.		
	Middle Search Plus		
Designed for middle school libraries, <i>Middle Search Plus</i> is a full-text database providing popular middle school magazines and reference books. Covering subjects such as history, current events, science and sports, it also includes thousands of biographies and primary source documents, plus over a million photos, maps and flags.			
MasterFILE Premier			
Designed specifically for public libraries, this database provides full-text magazines, reference books and primary source documents. It also includes an extensive image collection containing photos, maps and flags.			
ConsumerReports.org			
The largest paid-publication subscription-based website in the world, this resource enables consumers to make better purchasing decisions on the products they are shopping for. Whether a user is looking to find the best deal on an LCD TV, or researching the top-recommended used vehicles, <i>ConsumerReports.org</i> provides ratings and reviews, recommendations and buying advice for thousands of products and services.			
<i>Additional Information</i>	Consumer Union sets the price on ConsumerReports.Org based on Pop. Serv. That investment is \$1495 of the quoted total. The database bundle is \$5,000		
<i>Terms and Conditions</i>	Prices for EBSCO proprietary databases include unlimited local and remote access (for authorized users of the institution). EBSCO Information Services price quotations are strictly prohibited from being placed on a library's homepage or anywhere else on the World Wide Web. Payment terms net 30 days. Prices are subject to tax, if applicable. EDS pricing is contingent upon the customer supplying catalog data to EBSCO in MARC record format.
