MARCH is a tomboy with tousled hair, a mischievous smile, mud on her shoes and a laugh in her voice. She is exasperating, lovable, a terror-on-wheels, too young to be reasoned with, too old to be spanked.

ATTENTION: The 1956 Fertile Centennial Film is now 25 years old and really in need of restoration. If not restored soon, deterioration will make it impossible. The cost would be \$500 to \$550.

It has been suggested the film be shown to the public in anticipation of donations for the restoration.
