FERTILE GARDEN CLUB

The Fertile Garden Club held their August 9, 2005 meeting at Fertile City Hall with Evelyn Elthon and Carolyn Nedved as hostess with fifteen members in attendance.

President Pat Lohman called the meeting to order. The Pledge of Allegiance was said. Roll Call was "What do you like to collect?" The Secretary's Report was given with no corrections being made. There was no Treasurer's Report.

The "Weeding Schedule" was discussed and it was noted that some were not showing up to weed. This is a big job as we have the flowers on the corner of Highway 9 and 1st. Street, all the flowers on main street and those down by the walking bridge.

Discussion was held on the Arbor that will be in conjunction with the bricks with the names of people on them. The committee of Penny and Amanda will be working with the F.B & I to get this work done.

"Flower Power" will be the theme of our parade entry for Fertile Days. Each member is to wear a flowered outfit and a hat if they have one. The float will be assembled at City Hall on Sat. morning at 10 a.m.

It was noted that one of our members, Lois Anderson had moved to Texas and her birthday is Aug. 12. All members were asked to remember Lois with a card.

Fern Midtgaard gave a presentation on "Mum Plants". This was very interesting and informative.

Amanda brought a copy of the picture that was taken of the Garden Club at the June meeting. This picture will be in the Fertile History Book for the 150th Anniversary of Fertile. Members were able to order pictures. One will be purchased for the Historian Book.

Pat Lohman reported that they had a great tour to Nashua. We sang Happy Birthday to the members who have birthdays in August. We then sang the Table Prayer. Evelyn and Carolyn served a delicious lunch.

Fertile Sesquicentennial Releases Limited Edition Print

The Fertile Sesquicentennial, under the guidance of their fund-raising committee, is now releasing a limited edition lithography collector print.

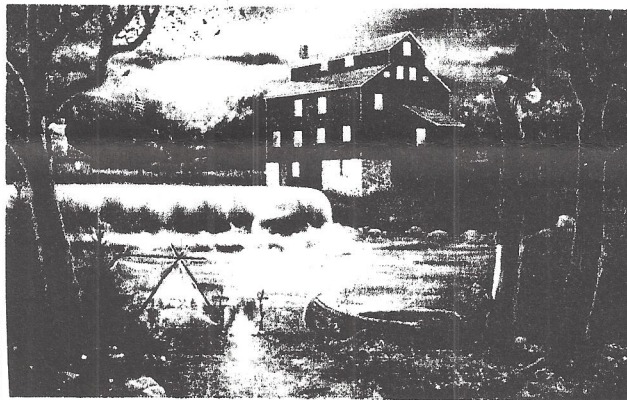

Speltz Studio of Wildlife has been commissioned to paint a collector's picture depicting a Fertile historical area scene. The painting will showcase the picturesque Fertile Mill. The romantic sunlit scene has the beautifully rendered Mill in the back with a Bald Eagle in the foreground. From this original, a low number of regular edition prints and artist proofs will be made. The group will sell these prints for only \$29.95 and hopes to raise over \$3,000 for their efforts. Speltz Studio artwork has raised over \$1,000,000.00 to the Midwest groups. These prints can be personalized with your choice of sketch.

J. D. Speltz is a ten-time state stamp and three-time national print award winner. The binding similarity in all Speltz Studio paintings would be the drama or story that each tells. In every painting you will find a number of small sparrows on the canvas. The sparrows in this original represent the Fertile committee members. The image is 10" x 15" and goes into a 16" x 20: sized frame when matted. Look up speltzstudio.com to view Fertile #1 Celebrating Our Hometown.

Please consider this an excellent way to help the committee and receive back a little memory in art form for your contribution. Please call 1-712-868-3001 or one of the following persons for your order to be filled quickly. Early sales help the group earn incentive gifts and the original oil painting.
