June 16, 2009, 7:00 PM, City Hall

Call to Order & Roll Call

Present were: Mayor Joyce Russell; Council Members: Jeff Berg, Penny Miller, Tad Miller, Cindy Peters, and Pat Renchin; Maintenance Manager Craig Koch and City Clerk Eddie May.

Minutes Approval

- *Jeff motioned, Pat 2nd to approve the May minutes.* Motion Carried.

Waste Management

- Darrell Hokestrom is replacing Margo Underwood as the City's representative. The City will be looking into ways to lower the cost of landfill and recycling fees.

West Washington Ground Water Removal

- Melanne Bang, Ron Rachut, and Virgil Lovik presented their concerns regarding the City's plans to dig out the ditches on the north side of the City right-away. They were concerned that it would still not be enough to handle the water coming from the north of their properties.
- The Council stated that the City does retain the right to remove the culverts, and dig out the ditches, according to recommendations by the County Engineers, a local excavator, and FEMA personnel.
- The Council requested that the home owners investigate the possibility of building a berm along the north side of their properties. They will also investigate the status of their culverts under the City right-of-way. Bang stated that she will report the findings of these two requests to the Council.

Mayor's Report

- Tracy & Tammy Hall signed papers granting the City the right to purchase their apartments next to the library. The offer is contingent upon the approval of this fall's WCDA grant.
- The Sherriff has been notified of the speeding issues in town. They will be patrolling throughout the summer. They have also set up a speed monitor to record infractions.
- All property line disputes must be settled at the homeowner's expense with the assistance of a Surveyor. The City does not maintain the official records.
- The City will be going to court in regards to Nuisance Ordinance infractions against the homeowner of 302 West Main Street.
- There have been several cases of vandalism this last month. The Sherriff has been notified. The Council is considering whether or not to install more security cameras. Public input is requested.
- A big thank you to Dan Miller for power washing the City Hall building.
- The Iowa Cattleman's Beef Association will be providing the community meal on Saturday, August 1st for our Fertile Days Celebration.
- *Pat motioned, Penny 2nd to approve Tad Miller and Cindy Peters as the City's representatives to Winn-Worth-Betco.* Motion Passed.

City Clerk's Report

- Eddie presented the May financials, but reported on the year-to-date numbers including all of the known data as of June 16.
 - The following statistics report the % of budgeted revenue received year-to-date as well as the % of budgeted expenses spent year-to-date (through June 16)
- | | General | Roads | Landfill | Sewer | Water |
|---------|---------|-------|----------|-------|-------|
| Income | 103% | 85% | 96% | 92% | 91% |
| Expense | 125% | 45% | 86% | 67% | 100% |
- May reported that the Water Fund will have a considerable net loss due to emergency equipment replacement and repairs made following the floods of summer 2008. May requested Council approval to transfer surplus funds from the Sewer Fund to cover the loss in the Water Fund.
 - *Cindy motioned, Penny 2nd to approve the allocation of excess Sewer Revenue Fund profit from the 2008-2009 fiscal year to the Water Revenue Fund in the amount of the actual loss at the close of the 2008-2009 fiscal year.* Resolution Passed.

- *Jeff motioned, Tad 2nd to approve the May Expenses.* Motion Carried.

- Haugen's Lawn Service sprayed thistles at the Sewer Plant as requested by the DNR.
- Craig has painted "No Parking - Fire Lane" to the West of the Post Office. The lane going south out of the new station must never be blocked. Violators may be towed away at their own expense. The Fire Department will also be posting no-parking signs on their building.
- Craig took down the Fire Department sign, and the For Sale sign on the old building. The old building is now being used for maintenance and storage.
- The snow plow is leaking a lot of fluid. Miller Diesel will be repairing it.
- Craig has cleaned out the Point to increase access for fishing.

Committee Reports

- Streets & Signs - the rain and wind are making it difficult to maintain the signs after vandals have been hitting them with baseball bats.
- Weeds & Garbage - one resident will have their lot mowed by the City. The City charges \$55 to mow.
- Building Projects & Permits - Tad asked the Council to consider whether a resident who is delinquent on their utility bills should be awarded a building permit.
- Community Center - May reported that the proposed community center is too big to be awarded a grant as a tornado safe room. The Council encouraged the committee to continue their research on alternate funding and to begin a capital campaign. It was also suggested that the project be broken down into phases, and to look into alternative building materials.

Upcoming Meetings

- The Fertile City Council will meet at 7:00PM in regular session, July 21, 2009, at Fertile City Hall.

Adjourn - Jeff moved, Pat 2nd to adjourn. Meeting adjourned.

ADELL "COOKIE" SUBY
1929 - 2009

Adell "Cookie" Suby, 80, of Forest City, died May 18, 2009 at the Lake Mills Care Center in Lake Mills.

A Celebration of Life was held at Immanuel Lutheran Church in Forest City with Pastor Rod Hopp, officiating. Inurnment was at Oakland Cemetery.

Adell "Cookie" Suby was born in Fertile on Feb. 23, 1929, the son of Elbin and Beulah (Hoveland) Suby. He was baptized and confirmed in the Lutheran faith.

In Fertile, Cookie had a cream route, hauled lime and was also employed at the Quarry. At night he'd roller skate and that's where he met the love of his life at the Forest City rink. He was such a professional skater in his own quiet way and was eventually asked by Rose Severson for the "Ladies' Choice" skate. That was a door-opener for a wonderful romance. From then on they skated together three nights a week.

On March 31, 1950 he married Rose at the Lutheran Church in Forest City. To this union, three children were born: Jan, Jerry and Terry. Cookie was employed by Harry Ricketts doing electrical work until he was offered a job in 1954 at the Forest city Light Plant where he remained for 36 years.

Adell was a wonderful, faithful husband and great father who always took time to mentor his children and help with their needs. He built two new homes and remodeled 10 locally to add to the income to provide well for his family. Rose was always at his side, holding up the other end of the sheetrock.

Survivors are his wife Rose; and three children, Jan (Randy) Groves, of Forest City; Jerry Suby of Wolford and Terry (Chrys Marie) of Edina, MN; six grandchildren, a brother, Norman Suby of Clear lake; sisters Elsie Mae (Leo) Chisholm, of Osage and Sondra Oswald of Johnston; and sister-in-law Vicky of Arizona.

He was preceded in death by his parents; and two brothers, Arden and Ron Suby.

Our deepest sympathy to the family.

THROUGH THE STATE

As we were driving through the state,
We could not help but contemplate,
The splendid fields of corn and beans,
The stately rows the combine gleans,
The monster tractors, shining bright,
The terraces, put in just right.

On just a bit, the farmstead stood—
The roof all sagged, the paint no good,
The weeds grown high, a tree blown flat,
Old wagon with flat tires sat.
Where is the farmer, young and strong?
His hopes and dreams, in days long gone.

The cows, the pigs, the chickens, too,
Are in the past where gardens grew.
The house, the sanctum in its day,
Is gone, along with children's play.
We cannot stop the world, I guess,
It has the magic word - Progress.
