City Council Meeting Minutes

October 20, 2009, 7:00 PM, City Hall

Call to Order & Roll Call

Present were: Mayor Joyce Russell; Council Members: Jeff Berg, Penny Miller, Tad Miller, Cindy Peters, and Pat Renchin; and City Clerk Eddie May. Absent was: Maintenance Manager Craig Koch

Minutes Approval

- Pat motioned, Cindy 2nd to approve the September minutes. Motion Carried.

Mayor's Report

- Clapper Tree Service has completed their annual tree trimming and removal in the park and up at the ball fields. Buck Russell and Kenny Strohmman have sprayed and cleaned up the debris around the ball field tree line.
- The City is writing a Trees Forever grant to add 6 new trees to the ball field tree line. We intend on planting 3 Autumn Blaze Maples, 2 Emerald Lustre Maples and 1 Skyline Locust to the South of the diamonds and playground. Each tree will be 8-9" tall and 2.5" in diameter. DOT Crown Vex will also be spread out to provide a thick matting of purple wildflowers.
- The property at 302 West Main Street, which was the City had taken legal action against regarding ordinance infractions and unpaid utility bills, has been sold. The new owners are in the process of bringing the property up to code. The prior owner has made all necessary payments to clear their account.
- ICAP, our insurance company, met with us this last month and requested that we add a protective padding to the light poles in the ball field and to place a pvc guard along the top rim of the fencing. They also requested more peat gravel underneath the playground equipment in the park. The City has made tremendous improvements to the safety of the town since ICAP became our insurance provider.
- Crescent Moon has winterized and locked the porta-poties at the ball diamond and at the point. The ones in the park will be winterized and locked after Halloween.
- The concession stand at the ball diamond has also been winterized.
- On October 26th, the Library will host their annual Halloween party "Alice in Horrorland" starring your favorite characters such as the Queen of Hearts, the Mad Hatter, Cheshire Cat, the White Rabbit, and Tweedle-Dee and Tweedle-Dum. The festivities run from 6:30-8:00 at City Hall.
- LeDeoux signs will be sanding, painting and sealing the frame around the Fertile sign on Hwy 18 this fall, if weather permits, or first thing in the spring.
- Please be sure to clean-up the areas around the alleys on your property. It won't be long and the snow plow will be making its seasonal debut. The City will also be trimming trees along the paths of the snow plow soon.
- A big thank you to Leon, the owner of the Fertile Lumber Company for bringing his building up to the code of ordinances. We appreciate your efforts in keeping Fertile safe.
- In regards to the water issues along West Washington, Mr. Rachut has found that sections of his tile are blocked and has made arrangements to have his tile replaced in the spring. Mrs. Bang is also in the process of following up with the Worth County Conservation Department.
- Craig has been working overtime to mulch the tremendous amount of leaves produced in the park and throughout the City's property. He and Warren have also been preparing to drain the sewer lagoons before winter hits.

City Clerk's Report

- Eddie presented the September financials.
- The following statistics report the % of budgeted revenue received year-to-date as well as the % of budgeted expenses spent year-to-date (25% of year)

| | General | Roads | Landfill | Sewer | Water |
|---------|---------|--------|----------|--------|--------|
| Income | 11.77% | 26.85% | 27.13% | 28.08% | 28.77% |
| Expense | 21.96% | 68.62% | 25.74% | 22.57% | 27.79% |

(The Roads Fund is currently over budget due to the City's portion of the new road surfacing done in July.)

- Cindy motioned, Penny 2nd to approve the September Expenses. Motion Carried.
- The City passed a financial audit by the USDA this last month. Last year's loss in the Water fund triggered the audit. The loss was proved to be caused by un-budgeted expense relating to the flood of 2008 and the imminent failure of the well pump. USDA audited both the water and sewer system financials and gave us clean bill of health.
- Two liens were presented to the Council for failure to pay utility bills. 105 Hill Street for \$350.75 and 605 West Washington for \$212.88.
- Jeff motioned, Tad 2nd to approve both liens for un-paid utility & maintenance bills. Resolution Passed.

Committee Reports

- Streets and Signs - The difference in levels between West Washington and the side streets will be altered when the side streets are re-paved. The County is still scheduled to re-pave 1st Street this fall, weather permitting. Otherwise, it will be re-paved in the

spring. State funding permitting. While there are no plans in motion to pave the side streets, it does remain a priority of the Council.

- Community Center - The committee presented a rough draft of a Capital Campaign letter for the Council's advice. Adjustments will be made to the document before sending to the public.
- Fertile Days - Cindy Peters has agreed to head up this new committee. So far there have been some who have voiced interest and one who has volunteered.

Other Business

- Winn-Worth Betco has a revolving loan fund available to business owners to assist in the hiring of personnel. Contact them at 641-592-0800 for more information.

Upcoming Meetings

- The Fertile City Council will meet at 7:00PM in regular session, November 17, 2009, at Fertile City Hall.

Adjourn - Tad moved, Jeff 2nd to adjourn. Meeting adjourned.

MORE NORWEGIAN HUMOR

THE FAMILY CIRCUS By Bill Keane

A Norwegian drove in front of the Cadillac agency in a brand new Cadillac. "Where's your service department?" he asked.

"Service department?" exclaimed the dealer. "You have a brand new Cadillac. You don't need service on it yet, surely?"

"Vell," said the Norwegian. "Ay used to da stick shift...and this car has got those funny letters like PRNDL on the steering veel."

"Yes, that's correct," said the dealer. "That's the automatic transmission."

"Vell," said the Norwegian. "I first put 'er in 'L' for 'light out.' Den I see a guy trying to pass. So I put 'er in 'S' for 'sick 'em'. Dat put me a little faster. So when anodder car starts to pass, I looks at the dial and put 'er in 'D' for 'Dig in.' Boy, I really got going. All of a sudden a kid in a hot rod started to go 'round me. So I looked at the dial again and put it in 'R' for 'Racing.'"

Where's your service department?"

The Norwegian government recently purchased 1,000 septic tanks; and as soon as they learn how to drive them, they plan to invade Sweden.

A Norwegian discovered he had mice in the house, so he set a trap. Being a bit thrifty, he used as bait...a picture of a piece of cheese. when he checked the trap next morning he found...a picture of a mouse.

Did you hear about the Norwegian who thought that Manual Labor was the President of Mexico?

OLE: Call da manager. . . I can't eat dis food.

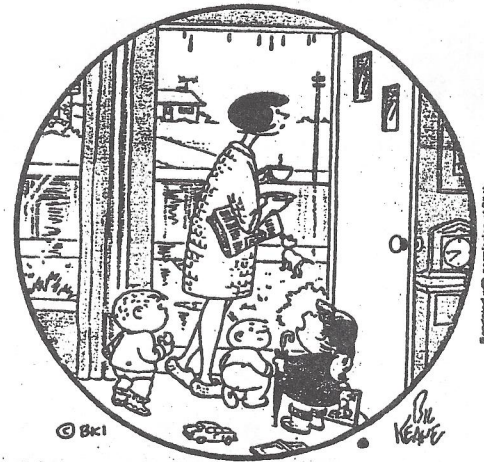

WAITRESS: It's no use . . . he won't eat it either.

Dagfinn loved crossword puzzles. When he died, his last request was to be buried 6 down and 3 across.

The judge had just awarded a divorce to Lena who had charged non-support. He said to Ole, "I have decided to give your wife \$400 a month for support." "Vell, dat's fine, judge," said Ole. "And vunce in a while I'll try to chip in a few bucks myself."

INGRID: Would you like to see da ring dat Lars gave me?

HELGA: It looks like a nice ring. And it must be a comfort to know dat he isn't a spend-thrift.

"I know why the car pool's so late, Mommy! This is OUR morning to drive!"

My nerves are a-twitter; my hair has gone white.
My knees, they are knocking; I'm quaking
with fright.

My whole life is streaking in front of my eyes.
"Dear Lord, please be with me!" I urgently cry.
My heart's in my throat, but at least I'm alive.
The problem? I'm teaching my kid how to drive!

The Fertile High School class of 1959 held its fiftieth reunion September 4 - 7 in Crossville, TN at the home of Gary and Pat Ouverson. Gary Ouverson and Nelda Ouverson Frahm were in charge of the reunion. The class's forty-fifth reunion was held in Fulton, IL in 2004 and it was decided that it would be fun to meet at different locations because most of the classmates who attend travel some distance anyway.

The classmates met Friday night at Gary and Pat's for a pizza party on the patio and driveway. After dinner everyone gathered in the media room and watched a DVD about the events that took place in 1959. After the video, a test was given to see if the classmates still had sound minds. Greetings were read from Mrs. Evans, a former English teacher, as well as Mr. and Mrs. Howard Dreves. Due to Mr. Dreve's recent surgery, the Dreves were not able to attend this reunion. Neal Luker also related information from Mr. Arnold Gaumnitz who had been the chemistry teacher for many of the classmates. Classmates then shared many fond memories.

On Saturday morning, the classmates gathered at the Ouverson's home for a continental breakfast. After several cups of coffee and good conversation, the group went into Crossville for a walking tour of the town. The noon meal was eaten at an artist's cafe complete with all types of art work on display. The rest of the afternoon classmates could do whatever they wanted. At 5:00 P.M. the classmates gathered at Gary and Pat's for a cookout, conversation and catching up on people's lives.

The class met on Sunday morning and attended the church to which Gary and Pat belong. They are active in forming a new congregation. After the services the class went to the Cumberland State Park for a wonderful lunch in the lodge. The dining room is in a beautiful wooded area. From the restaurant the class went to the Cumberland County Playhouse and saw a great musical production of *Smoke on the Mountain*. The class returned to the Ouverson's home and enjoyed a light dinner. Before the evening closed, pictures were taken of all attendees. While some classmates returned home on Monday, others continued on to various locations to enjoy the scenic area. Everyone had a wonderful time!

Paul Ouverson, Beverly Tweed McNeese and Larry Burtness will plan the fifth-fifth reunion. Classmates attending were Donna (Vaage) and Larry Nelson, Beverly (Tweed) and Gale McNeese, Larry and Janet Burtness, Donna (Pitkin) and Jerry Ouverson, Paul and Carol Ouverson, Gary and Pat Ouverson, Nelda (Ouverson) and Larry Frahm and Neal and Jane Luker. Classmates unable to attend were Gwen Johnson Scott, Loren Hoffman, Lyle Knutson, Diana Hunter Coons, Gary Hall, Jerry Hill and Les Torkelson. Judy Haugen Hall and Sandra Felland are deceased members of the class.

Thank you to Neal Luker for sending this article and the class picture.

Chocolate Chip Blond Brownies
(this was one of our favorite bars though the years)

- 1 cup sifted Flour
- 1/2 tsp. Baking powder
- 1/8 tsp. Soda
- 1/2 tsp salt
- 1/2 cup chopped nuts
- 1/3 cup shortening
- 1 cup brown sugar
- 2 egg
- 3 tsp. Vanilla

Sift dry ingredients, add nuts and mix well, set aside. Melt butter or other shortenings in sauce pan; remove from heat. Add sugar firmly packed and mix well. If vegetable shortening is used, add 1 tablespoon hot water. Cool slightly, add egg slightly beaten and vanilla; blend. Then add flour mixture, a small amount at a time, mixing well after each addition. Spread in greased 9x9x2 pan. Sprinkle 1/2 package semi-sweet chocolate chips over top. (A lot of the time, I just mixed in the chips to the dough & then sprinkled some on the top.)
BAKE 350° for 20-25 minutes. Cool in pan.

Jill : "This is the twelfth time you've been to the refreshment buffet."
Will : "That's O.K. I tell everybody I'm getting something for you."

Preacher : "Cars aren't mentioned in the Bible."
Kid : "But it says, 'Jesus and his disciples were all in one Accord.'!"

Ned : "My brother's in the candy business."
Ted : "Is he doing well?"
Ned : "So far he's made a mint."

Six kids and two dogs shared one umbrella, still none got wet. Why?
It wasn't raining.
