### LIBRARY NEWS

This year we ended our summer reading program *One World, Many Stories* with a fiesta. We had a stompin' good time doing the Mexican Hat Dance! Who knew there were so many good dancers in Fertile. Our story for the day was *What Can You Do with a Paleta?* Do you know? And before we were too exhausted, we got to hit a piñata until all the candy exploded onto the ground. Thank you Rebecca May (and Karen Perry for helping) for taking us exciting places around the world through stories, games, dance & food.

# SUBY FAMILY REUNION

## JULY 2, 2011

### FERTILE PARK, FERTILE, IOWA

On a beautiful bright sunny day sixty descendents of Andrew P. and Celia (Halvorson) Suby gathered in the William Roades Island Park in Fertile, Iowa for a family reunion.

As always at a Suby get-together the tables were overloaded with food for the noon potluck dinner. Leon and Shirley Suby, Allen and Nadine Suby and Linda (Suby) and Tom Price had organized the event and had decorated the tables in a 4<sup>th</sup> of July theme of red, white and blue.

Since we had not had a Suby reunion for some time we reacquainted ourselves and welcomed each other and started to share our stories of where life had taken us on our journey and tried to catch up on where everyone was living now, if they were still working, going south for the hard Iowa winters, and where their children were living.

Mark Suby (son of Roger and Colleen Suby and grandson of Henry and Iva Suby) has been our family historian and genealogist for many years. Several years ago he compiled a family booklet listing the descendents of Peder and Anna Larsson Suby who were father and mother to Andrew P. Suby. The booklet has interesting facts of where the family lived in Norway before coming to America and their journey to this new country.

Mark has spent countless hours visiting people, cemeteries, newspapers, courthouses, genealogy websites, etc. gathering information about the Suby family. He discovered several previously surnames before Suby was designated the family surname.

Mark brought all his information to the reunion along with a PA system and a flip chart tracing the family lineage back several hundred years. His presentation was very informative and enjoyed by everyone.

Following Mark's presentation we continued to visit and enjoyed being back in the Fertile Park. Several of us had gone to school in Fertile and could recall Sunday school picnics as well as family reunions being held there. Basically it looks much the same as the trees are the same and the river still flows through. The raised footbridge is indeed an asset as it is unlikely that the ice will take it down.

Andrew and Celia lived in and around Fertile and raised their children there. They were members of the Fertile Lutheran Church. They are buried at Brush Point Cemetery on Hwy. 9 between Fertile and Hanlontown, along with several Suby family members. Their children are all deceased but they are survived by several grandchildren, great-grandchildren, great-great grandchildren and great-great-great grandchildren and perhaps some beyond.

Children born to:

Andrew and Ragnild (Holskar) Suby  
Betsy (Suby) Nelson  
Anna (Suby) Halverson  
Peter Suby  
Hilda (Suby) Kilen

Children born to:

Andrew and Celia (Halvorson) Suby  
Elbin Suby  
Henry Suby  
Lewis Suby  
William Suby  
Morris Suby  
Cora (Suby) Jenkins  
Doris (Suby) Oswald  
Arthur Suby

We have a long and proud heritage with countless family stories to recall and pass on to future generations. Blessed be the names of all who brought us joy and and blessed be their memory in our hearts.

This picture was in the last Reminder. After much deliberation, and looking at old pictures, Sara Oswald Innes, Council Bluffs and Ellamae Oswald Butler, Mason City and myself, we decided this Grandma Mary Ann (Min or Minnie) Purcell Oswald.

Mary Ann Purcell was born on October 28, 1876 in Haver Hill, Mass., the daughter of John and Mary Purcell. She came to Worth county with her parents and two brothers when only a baby and they settled on a farm about 3 1/2 miles north of Fertile, (John & Ruth Rovang home). Min taught school in the Fertile area. She lived on this place until her marriage on June 22, 1898 to Andrew Oswald. Andrew died on June 5, 1921 of TB. Andrew and Min moved just 1 mile north of the Church of Christ, after their marriage, (where Randy Oswald lives). In 2002 the farm that they owned became a Century Farm with Randy as the fourth generation farming this place.

Andrew and Min became parents of 11 children. Mary Ellen born 1899, died after only a couple months; Idona Annes-tatha 1900-1967; Veronica Rita 1902-1967; Albion (Doc) 1904-1983; Leo James 1905-1984; Mary Arvilla 1907-1976; Norman John (Bud) 1908-1988; EllaMargurite 1910-1918; Marcella Agnes (Cella) 1913-2008; Roland (Rollie) 1914-1984; Claire Collette 1916-1996.

## ANOTHER VIEW ON THE PICTURE

The "Mary Purcell" you mentioned in the July issue of the Reminder is no doubt Mary Eva Purcell, the daughter of Frank & Winnie Purcell. Born 1/31/15 and died 9/22/71. Graduated from Fertile High School class of 1933 and apparently used the name "Eva".

Refer to the Fertile School Book page 61.

Dear Ladies,

Please renew my subscription to the Fertile Reminder.

Sister Irma Oswald Husome, who graduated from the class of 1935 or 1936, passed away last week in Cedar Falls, IA at the age of 93.

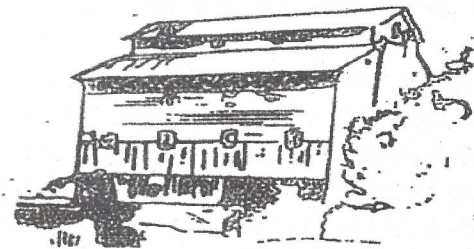

I think Viola Roberts and I are the only 1933 graduates left of our class.

Wish I could attend Fertile Days. Sounds like fun.

Thanks!

Esther Oswald Hudson
