# FERTILE'S GRAND MARSHALL'S

We are honored to have Al and Jane Ramon as our Grand Marshall's for the parade this year. Al and Jane moved to the area in 1978 and left the area in 1988. They moved back to Fertile in 1995 as Jane said, "Fertile is and always will be our home town." Al and Jane started the "Down Town Café" December 18, 1995. The building was owned by Carol Keogh from 1995 - 2000, Tammy Hall - 2000 - 2005, and Janice Lovik - 2005 to present. Ramon's moved the café to the old school lunch room for remodeling then back to the café in 2000.. The "Liars Table" received its name from Norman Rye and to this day it's still a poplar table where the locals gather to share their stories. In 2005 Lovik added the back room on what is called today, the River Room. Jane had always wanted a room overlooking the river and park. The room was completed in 2006 for the town's 150th celebration.

There was never a stranger for Al and Jane who owned "The Down Town Café. Everyone was family. Al and Jane retired in March 10, 2012. They miss the people but are enjoying your retirement! Thank you from the bottoms of our hearts for all you have done for Fertile.

# **City of Fertile**

#### City Council Meeting Minutes May 19, 2012 - 7:00 PM, City Hall

- Call to Order & Roll Call
- Present were: Mayor Joyce Russell; Council Members: Jeff Berg, Julie Jessen, Penny Miller, Tad Miller, & Pat Renchin; Maintenance Manager Steve Roberts & City Clerk Eddie May.
- Jeff motioned, Pat 2nd to approve the May Minutes. Motion Carried.

#### **Fertile Days Committee**

- Rick Anderson, and the committee requested permission and financing to host a fireworks presentation during Fertile Days. The display would last 10-15 minutes and would cost \$1,600. The committee would do fundraising to help cover the costs.
- The Council was concerned that the presenter does not cover insurance for the event. The Council also considered that the City is facing a substantial financial deficit this year.
- The Council and the committee agreed to hold off with the fireworks until next year. We will research possible insurance waivers now and will start fundraising right away. (The fireworks for the sesquicentennial cost around \$5,000-6,000 for a longer show and the presenter was covered by insurance.)
- Please check out the Fertile Days Facebook Page for event information.

### **City Maintenance Report**

- · Last month-90% of time was spent on community center open house
- Rest of time mowing, weeding, and landscaping, especially at the lagoon & park.
- · Draw-down at lagoon is done-all valves worked
- · Still having problems with generator, solenoid not working
- The sewer pumps had to be pulled to clear out clothing & towels that had wrapped around the pumps. It costs residents \$800 each time the pumps need to be unclogged. It appears that someone is pulling up the manholes to drop clothing into the system. Please help us keep from raising the sewer bills by helping us catch the person(s) responsible.
- Since it has been so dry, the sheep were taken out of the lagoon property to keep them from eating too much of the grass
- Steve will create a system of hose reels for Garden Club at City Hall
- · Steve will be doing some more landscaping around town
- Eddie reported that the City is still pumping twice as much water as it is billing. Three water leaks were fixed last month, but the City is continuing to investigate how the water loss may be happening.

#### Mayor's Report

- In May, the WCDA awarded college scholarships in the amount of \$6,676.63 to each of this year's 11 Forest City graduates from Fertile
- Attended Sherriff/911 meeting on May 19 & completed GPS updates
- Installed flags on Main St. for Memorial Day. The Garden Club hung banners after Memorial Day and will put the flags back in for the 4<sup>th</sup>.

- On May 26<sup>th</sup> lightning hit water tower and damaged the 911 repeater. Fire Department paging system, a street light, Little League scoreboard, Lutheran Church transformers, concession stand, and light on top of water tower. This was all turned into insurance.
- May 1<sup>st</sup> June 7<sup>th</sup> got ready for the community center open house. Thanks to everyone who gave food for the Worth County Food Bank at the open house. A big thanks to the Downtown Café for catering the meal. Everything went great!
- Reservations are being taken for renting the Community Center and City Hall. Information is posted on our website (fertileiowa.us)
- June 5th Primary Election took place at the City Hall
- June 9<sup>th</sup> Alumni Banquet took place in the Community Center. During the event, Mayor Russell received an Honorary Fertile Alumni Certificate of Achievement.
- June 9<sup>th</sup> City wide clean up went very smoothly. A big thanks to everyone who helped load the dumpsters, and a big thanks to CAD for doing a really good job removing our old appliances!
- June 10<sup>th</sup> 11:00-11:30 PM Sheriff was called to the Park for noise complaints. Please remember that the park closes at 10PM
- There have been reports of vandalism and theft around town.
- Please help enforce the 10pm curfew and 11pm noise ordinances.

### **City Clerk's Report**

- NIACOG Housing Grant
- · Eddie presented the May Financials (92% through the year)

General/Housing		Roads/WCDA	Utilities	Total	
Income	322,667	250,803	150,594	\$724,064	
Expense	376,914	210,041	145,687	732,641	
Total	-54,247	40,762	4,907	-8,577	

Deficit in General/Housing is caused by the creation of the Business Incubator, overages on the Community Center project, and the City's portion of the Housing Project. The surplus in the Roads/WCDA fund is caused by savings for lighting projects and zeros out the WCDA fund from a net loss last year. Eddie believes we will end the year with a deficit.

- Put motioned, Penny 2nd to approve May Bills: Motion Carried. Committee Reports
- Library Project: Eddie suggested that we publish a public notice soliciting bids for complete architectural renderings, blueprints and materials lists. Eddie proposed the following timeline: architectural plans approved in August, Construction bids received in September, bids approved in November, Grant written/submitted in January. *Penny motioned, Pat 2<sup>rd</sup> to approve publication of the public notice soliciting architectural services:* Motion Passed
- The weeds & garbage committee wants to remind residents to keep grass and weeds below the 12" height limit stated in the ordinances. Also, noxious weeds of any height must be removed. Please help us keep Fertile beautiful!
   Other Business
- The Council verified that the City has a current Vulnerability Assessment and Emergency Response Plan for the Water/Sewer systems as required by the USDA.

 The Council agreed that the Little League can use the ball diamond lights 2 nights per week for practice, as long as the lights are turned off by 9:30pm. Lights can be used for games as needed.

# \* \* \* \* THANK YOU'S \* \* \* \*

Thank you to everyone for all of your cards, prayers, gifts and meals during this difficult time. Your kindness has made a very difficult time, a little easier. Florence was a wonderful wife, mother and friend and we will miss her very much. Florence Nye family.

Thank you for your best wishes given in person, card and gift in celebration of my 80<sup>th</sup> birthday. What a humbling experience to visit with many whose life has touched mine. What an overwhelming day. Love and God's blessings to all, Evelyn Elthon

Peggy and I want to take this opportunity to express our gratitude to all of our friends and family members in the Fertile area for making our brief trip to Fertile on May 26 such a joyous and memorable experience. All of us had a great time.

We are especially indebted to Wayne and Jean Roberts for the assistance with transportation and the delicious dishes which Jean prepared.

My thanks also to Richard and Joanne Zrostlik for the food which they brought and for their organizational help.

One of the highlights of our visit was the pot luck held at the Fertile Church of Christ. It was such a pleasant experience to visit with seven members of my Fertile High School class, the class of 1955.

We are also grateful to Rob for a wonderful sermon and to the thoughtful and kind church members and friends who not only prepared food but also assisted in serving it. Mom also sends her thanks to all who helped, although there are far too many to name individually.

Last but not least, I want to thank Mom for putting up with us and to say what a joy it was to visit with all friends and family members, several of whom we hadn't seen for more than forty years. Don & Peggy Roberts

### Ladies,

Ienjoy the Fertile Reminder very much and occasionally see names of families or people I once knew. It's been a long time since I lived in the Fertile area, graduating in 1951.

I cut out and saved the homemade soap recipe and maybe someday will give it a try. It brings back old memories of my mother, Ruth Tweeten, when she used to make our laundry soap using lye and pork fat as two ingredients. Cracklings were sometimes used. Butchering and good soap making often went together when we would have a good supply of pork fat. The folks were married during the depression and learned many ways to be self-sufficient. You asked for recipes and I'll share some that have been shared with me. Mary Myers, Riceville, IA

We always enjoy getting the Fertile Reminder! Thanks for your labor of love. LaVonne Kraft

Time to renew our Fertile Reminder. You do a great job! Thank you **Don and Marilyn Severson**

The flower boxes by the Fertile Library and downtown have a red, white and blue theme. White alyssum, red Impatiens and blue Lobelia were planted. At the Community Center flower pots were purchased and contain red Gerber daisies, Asparagus fern and Barcopa. We will be attending the Fertile Days parade with a float theme "Seasons of change". ### **MONEY SAVING IDEA**

Make your own baby wipes

A round plastic container with a tight-fitting lid Thick, strong roll of white paper towels (Viva or Bounty brand works best, as they are very thick and strong but also soft and cloth-like) Sharp, serrated knife to cut paper towel roll in half.

2 cups water that has been boiled and cooled to room temperature

2 Tbsp. baby shampoo or baby wash1 Tbsp. baby oil

First, cut your paper towel roll in half and remove the inner cardboard tube.

Then mix your liquid ingredients in container and place one of the paper towel halves inside, cut side down (save the other half for the next time you need to make wipes). Put the lid of the container one tightly and let it sit until all the liquid is absorbed. Next, turn the container upside down and let it sit for about 10 minutes. Then turn it right side up, open your container, and "start" your roll by pulling a towel from the center of the roll.

You can also use a baby wipes empty container, separate your towel and pour the solution in it. I have used these and they are as good or better than what you buy and at a great savings. Give them for gifts!!

**Goodbye Fruit Flies:** To get rid of pesky fruit flies, take a small glass, fill it 1/2" with Apple Cider Vinegar and 2 drops of dish washing liquid; mix well. You will find those flies drawn to the cup and

gone forever! THIS WORKS!!

#### HOUSEHOLD HINTS

>-Wooden spoons are desirable for candy making because they tot get to hot to handle.

>Make homemade candies from one to two weeks ahead. Store in tins lined with wax paper. Fudge, caramels and fondants improve when stored in this manner.
>To ship homemade fudge successfully for some distance, pour it while warm into a tin pan whick has been lined with several thicknesses of waxed paaper. Leave sufficient paper to cover thetop adequately and the fundge can be lifed out by means of it. The recipient who cuts the candy finds it as fresh as when it was packed.
>Bottles and daubers from liquid shoe polish (if you still shine your own shoes) makes good paint sets for tiny tots. Wash bottles and daubers, fill bottles with water colors. The dauber is easier to use than a slender brush - less

HAVE A HAPPY AND SAFE JULY 4th.
