Unfinished Business:

1. 22-23 Budget- discussion & possible action to amend budget approved & submitted in January per council request
Council has requested that we formally approve amending of the January approved budget using the 3% wage increase, and reductions in technology services, periodicals and books. The board may vote to approve the amendment or they may simply take no action.

Action- Shall the board agree to amend the budget formally approved in January with the line item changes not herein?

Motion Discussion and vote

No action- no motion, no discussion and no vote.

New Business:

Discussion item only- Trustee email publicly accusing that the Director and President conspired to and tampered with the approved budget and circumvented boards authority.

This is a serious charge leveled by a trustee in an email to the full board, making it part of the public record. The trustees have a responsibility to address the charge & determine if further action is warranted.
