Friends of the EPL Fund Drive for the Community Room Project

Dear Friends,

The Friends of the EPL plan to fully support the renovation and expansion of the library's Community Room, gaining 335 square feet and the ability to seat 75 theater-style. This expansion will also include a full kitchen, and updated technology and furnishings to better serve our patrons and the local community non-profits who utilize the meeting space.

2 CASEWORK ELEVATION SCALE: 1/4" = 1'-0"

No tax-payer dollars will be utilized toward this project, which is set to begin construction in November of 2022.

The current project budget is as follows:

Income so far:

\$20,000 received from Williamson Grant toward community room project	
\$37,000 received from anonymous local donation	
\$20,000 planned request from Williamson Grant (summer 2022)	
Totals	\$77,000.00

Known expenses:

FEH design and project management	\$26,900.00
General contractor bid	\$158,500.00
Furnishings	\$31,025.77.00
Thermostat relocation	\$500.00
Technology and wiring	\$5,059.04
Totals.....	\$221,984.81

This leaves \$144,984.81 to raise

In order to meet the goal, the Friends need your help! If you're able to donate toward the project, you may write a check to the **Friends of the EPL** (613 Central Ave., Estherville, IA, 51334), use the link for online donations on the Friends page of our website, or visit the library in person to speak with Tena Sunde, Director.

With sincere thanks for your support,

The Friends of the EPL Board
