<p>Additional comments:</p>	<p>Additional comments:</p> <p><i>This past year has brought some long-standing plans to fruition. Our HVAC system upgrade was completed, our Community Room project was completed, most of the building has been painted, and technology updates continue. Each of these items has brought new demands to the time available, but the rewards we are seeing in ever-increasing foot traffic and program attendance make it all worthwhile. I've appreciated the support of the board throughout all of this.</i></p>
<p>Development Plans:</p>	<p>Support I need to improve my performance:</p> <p><i>Please let me know if you have goals for the library you would like me to focus on this next year. The main thing I need from you, as a board, is your advocacy. Any time people see board members at our programs, spreading the word about what we offer, or informing the community about the value of the library, you are offering the best support you can give.</i></p>
