

Board of Trustees Work Session
July 30, 2024

The Knoxville Public Library Board of Trustees met on Tuesday, July 30 at 4:00 P.M. for a work session. Members present were Lindsey Carlson, Elly Shaw, John Mertz, and Jan Evans.

The Board discussed various formulas for distribution of funds from the Marion County Board of Supervisors. Several options had been proposed by the Pleasantville (Webb Shadle) Library. The Board favored a formula that would increase the share for all 5 libraries (base payment or equal split plus rural circulation). No decisions were made and another meeting will be scheduled with all Marion County libraries in late August. Letters were drafted to be sent to the Board of Supervisors and/or rural residents at a future time.

The meeting was adjourned at 5:00 p.m. The next regular meeting will be held on August 20, 2024 at 4:00 p.m. at the library.
