The Director Recommends

The Young Traveler's Gift by Andy Andrews

Premise: Young man made a bad decision and is sitting in jail waiting for his parents to pick him up. Feeling very low, thinking of how he let his folks down.

This is a journey. Michael gets help from 7 historical figures who offer words of wisdom. President Truman, King Solomon, General Chamberlain, Christopher Columbus, Anne Frank, Abe Lincoln and the angel Gabriel offer their thoughts. This helps him form a plan to get his life back on track.

This book is great for teens and parents alike, and will be an asset to any relationship.

Linda Eldred, Director
